Dear Bob

Hate to do this to busy people but I thought I ought to update the circumstances.

I enclose also comments I sent to Lyman Kirkpatrick on his forthcoming book.

Seems to me what with L. Harris Smith, Marchetti, Kirkpatrick, now Taylor & God knows who else you're going to have to add to your problem list. Regards, Bill Colby (Jo concurs)

Dear Sir,

I enclose herewith a short essay which you may find of sufficient interest to publish. If so, please withhold publication until I can determine whether or not the Director of Central Intelligence has any objection thereto.

I have used no classified material in this article. However, I do quote extensively from a decision of the U. S. Court of Appeals in which decision the Director of Central Intelligence has a direct interest. I do not think he will have objections, but if he does, for any reason, I will withdraw.

Very truly yours,

Rufus L. Taylor
Vice Admiral U. S. Navy (ret).
